

Characteristics of Effective Teaching and Learning

At West Byfleet Nursery we actively promote, reflect, and adjust our practice to support all children in our care.

The three characteristics of effective teaching and learning are:

- Playing and Exploring – Children investigate and experience things, and ‘have a go’
- Active Learning – children concentrate and keep on trying if they encounter difficulties, and enjoy achievement
- Creating and Thinking Critically – children have and develop their own ideas, make links between ideas, and develop strategies for doing things
