

# **Communication and Language**

Through conversations and interactions with adults and peers, all children at West Byfleet Nursery will:

- Experience a language rich environment through a wide range of books, stories, rhymes, songs, and concepts, both fiction and non-fiction
- Develop confidence in their use of language
- Build a wide vocabulary
- Be able to listen and focus attention when needed
- Feel fully included, embracing diversity and respectful of differences between each other
- Celebrate all languages and cultures
