

NURSERY NEWS - 12th June 2018

PARENT'S EVENING

Don't forget to join us for parent's evening tomorrow. There are still appointments available if you haven't yet made one.

We look forward to seeing you.

NO TOYS FROM HOME

Following some recent incidents where precious toys from home have gone missing we now **must insist** that no toys from home are brought in to nursery. Comforters will be allowed but these will be stored out of the reach of all children when not required.

PFA SECOND HAND UNIFORM SALE

West Byfleet Infant School PFA will be holding a 2nd hand uniform sale in the infants school playground next Monday, 18th June, from 3pm onwards. All items will be priced at £1, cash only. Please bring change if possible.

SUNSCREEN

May we remind you once again of the importance of applying sunscreen, even on cloudy days, before your child comes in to nursery. You will be asked to confirm it has been applied at the classroom door and requested to apply it before you leave if it has been forgotten. Staff will only apply sunscreen, after lunch, once a day to those who are here all day.

MESSY PLAY

At this time of year we spend as much time as we can outside exploring the natural environment and experimenting with different textures, ingredients and materials. Sometimes this can get very messy; so please please send your child to nursery in comfortable old clothes that will stand up to these exciting activities.

NAMING PERSONAL POSSESSIONS

Please ensure that your child's items brought from home are named; this includes **all** clothing especially socks and shoes, hats, sunglasses, lunch boxes, water bottles, sunscreen, snack pots

HEALTHY EATING

Following our Ofsted inspection one of their recommendations was that we should do more to promote healthy eating and support the children's understanding of it's benefits. As part of our healthy eating initiative we ask you to support us by ensuring that your child has healthy and balanced snacks and lunch which include **no more than one** high sugar or chocolate item per day.

Please note that the nursery is an egg and nut free zone
