

NURSERY NEWS - 20th April 2018

WHICH SCHOOL?

Now that the offers of school places for September have been made, we would be grateful if you could let us know which school your child will be attending so that we can work with them on transitions.

SURREY FAMILY INFORMATION SERVICE

Surrey Family Information Service support parents and carers of children and young people from 0 to 25 years, and the professionals working with them. You can get this support in a number of ways:

Website

Read about learning development, financial support, how to stay healthy and safe and lots more. surreycc.gov.uk/fis

Family Information Directory

Search for services, organisations, groups, support groups, courses, grants, childcare, events, etc., etc. surrey.gov.uk/directory

Surrey SEND Local Officer

surreylocaloffer.org - the online hub for 0 to 25 year olds with special educational needs or a disability.

STAYING SUN SAFE

Many thanks to all of you who have applied sun cream to your child before bringing them in to nursery over the last couple of days. This term we will be checking on the door as you arrive and if sun cream has been forgotten you will be asked to apply it before handing your child over.

TAPESTRY CARER LOG-INS

We are now ready to set up any additional carer log-ins you may request. So if you would like your childminder, nanny or grandparents to have access to your child's online profile please let us know and we will let you have the appropriate permission form to complete.

For new families joining us this term activation emails will be sent out early next week.

PFA EVENT - BONKERS BALLOON SCIENCE SHOW

If your child is moving on to school in September you may be interested in this event at the infant school on Saturday 5th May.

Please see the attached flyer for more details and bring any ticket requests to the office.

NO MORE GLITTER

Following all the recent publicity regarding non-recyclable plastics we have taken the decision to stop using glitter, once our current stocks have been used up. We will also be looking into switching any single use plastics to biodegradable products.

OFSTED

We are delighted to be able to inform you that at our recent Ofsted inspection the setting was rated GOOD. Ofsted's report has now been published and a full copy of this is attached for your information.

Many thanks for all your positive feedback and support.
