Epilepsy Awareness Mufti Day - Thursday 1st February

In March two of our parents will be taking part in the Big Half Marathon to raise money for the Epilepsy Society. They have a fundraising page where you can read their story and you can also view the Epilepsy Society website for details of the event.

We will be supporting them by holding a **mufti day on Thursday 1st February** where the children can come in fancy dress in exchange for a suggested donation of **£1** in support of this excellent cause.

Tapestry Parent access - Going live, 2nd February

We will be uploading all parents's details to Tapestry this Friday, 2nd February. Once completed this will trigger an activation email to be sent to your registered address; this email will contain a link which will enable you to set your own password and PIN. When these are set up your account will be active and you will be able to log in to Tapestry and view your child's profile.

Please note the link is only valid for 30 days after which time you will need to ask us to issue a new activation email.

Please look out for the email which will come from Tapestry - don't forget to check your junk folder just in case it finishes up there.
