

## **NURSERY NEWS - 9th February 2018**

### **Open Afternoon**

We are holding an open afternoon on Thursday 1st March from 4.15 until 6.00 pm to celebrate World Book Day. Please come along with your child and older siblings to take part in some fun book based activities.

### **Epilepsy Awareness Mufti day**

A huge thank you to every one who took part in this fund raising event, together we raised just under £120 for this excellent cause.

### **Tapestry**

Did you get your activation email?

So far only 50% of parents have accessed their child's online profile. Please let us know if we need to resend your links for any reason.

### **Children's Absences**

Please do not forget to notify us as soon as possible of your child's absence. It is a safeguarding and funding requirement that any non-attendance is recorded along with the reason. Where parents do not contact us we will be telephoning or emailing them to request an explanation for the missed sessions.

### **Toys from Home**

May we please request that your children do not bring toys from home, especially ones that are precious. Making sure that these toys are not lost or broken takes staff away from interacting with and supporting your child's learning. It can be hard to explain to other children that these are not nursery toys for everyone to play with or share and some children can become distressed and cross if this involves their special toy.

We understand that some children have comforters to help them settle; these will be kept in the children's tray or bag to keep them safe when not needed.

### **And Finally**

Don't forget that next week is half term and we will re-open on Monday 19th February.

Have a good break
